Keeping Up - -

With Uplanders

By V. V. P.

GOOD OR BAD THINGS?

Some people may not think it is good newspapering for us to devote so much space to the nice things people do. In fact, some newspapers look to the police blotter for most of their city hall information — and give much space in reporting about people in trouble.

It is either we have mostly nice people in our circulation area or else we close our eyes to the events that concern the more sordid side of life. Fundamentally, we believe there is innate goodness in every human being.

One of the outstanding community events of the week concerns Mrs. Louise Bewley. The little piece we have about her in the paper today would not rate very high in a big city editor's book but to us, it is very significant.

While she was observing her birthday anniversary by visiting a friend in Ontario, Mrs. Bewley's little neighbors on Hervey Ave., mowed and trimmed her lawn and in general did odd jobs about the place. And was she thrilled! A neighbor explained to us Mrs. Bewley is always so interested in her friends and children in the neighborhood that nine youngsters united to help her celebrate.

MISS TARLETON

Many scorss of adult students here today were sixth grade pupils of Miss Florence E. Tarleton during her 28 years of classroom service.

All of them and many others here are proud of her selection by the Upland Business & Professional Women's club as the "Woman of the Week". This is national business women's week and one of the local events is the selection by judges of a local woman who has given outstanding service to her community.

Those who know Miss Tarleton for her service in the classroom and for her generous contribution today to many youths, will be highly gratified in the selection.

She is one of the community's outstanding women. We are proud to have her as an Uplander.

OLD HOUSES

To almost every individual, a residence somewhere means something very special. We were in a home this week when the head of the family in operating his picture projector, flashed on the screen a view of a nicely painted white house.

"Oh", exclaimed two women observers, "that is our old home!"

Immediately, we visualized our old home. The house in which we had "our room" for about 18 years will always be a vivid picture in my memory. And so, a picture of the "old house" always brings exclamations.

AID HELPS

The three letters, "AID" means something — Associated In-Group Donors," It also means many hundreds of dollars to the community chest here. Through AID many employes of industries contribute to their local agencies. Money earned in estimated 12 minutes of an employes' time a month is placed in the AID account. Then the employer deducts this sum for the account. From time to time, allocations are made on the basis of the employes' requests.

In other words, if local employes at the various plants would be certain to designate their "AID" to the Upland community chest, the local agency would get an increasing amount. The "AID" money goes to the home base of the employer if the local resident does not indicate he wants his share for the hometown agency.

HINGES ON PARKING

Just one indication of what the proposed parking assessment district will mean for the Upland downtown district is the proposed real estate transaction involving the Presbyterian church property and the McMahan Furniture Co.

If the parking district is approved, the furniture company will purchase the church property at Ninth St. and Euclid Ave., erect a new building and operate a new store here. If the district is killed by protests of certain property owners, however, then there will be no McMahan's here — and the church will have to look elsewhere to get a buyer for the historic building.

McMahan's Coming Here Awaits Parking District

Purchase Of Euclid Site Is Involved

If the proposed downtown parking assessment district is not realized it is problematical if the McMahan Furniture Co. will buy an Euclid Ave. site and build a retail store here, according to T. E. Norris, district manager for the furniture chain.

"We are hopeful of having a fine store in Upland but our purchase of the Presbyterian church property is conditioned on the realization of the parking district," Mr. Norris said.

Asked if the firm would withdraw from the negotiation if the parking district were turned down nert month, Mr. Norris said he could not definitely say since other individuals had a voice in major decisions.

"You can say the transaction is highly doubtful without the parking district due to the vital need for parking in any successful business section," Mr. Norris declared.

"It is the trend today that people shop where they can park easily. It appears to me that if the downtown business people are not able to provide parking as planned that a great business factor is being missed. It means the downtown district would be left 'wide open' for disintegration as business centers would go to the outlying areas. Failure of officials to authorize the parking district would certainly be a mistake for the good of all the Upland area and especially for the downtown area."

Mr. Norris said he would try to be present for the Oct. 4 hearing in the city hall.

5 Year School Building Plan Favored Here

"It is the general belief of representatives from the foothill communities that the proposed Chaffey bond election should provide enough money to provide for a five-year expansion program," W. W. Woodward, Upland, said yesterday. He was chairman of the recent committee for formation of a new foothill high school district.

A meeting was held recently at which persons vitally interested in the classroom situation agreed that a program for less than five years would not provide the necessary solution, according to Mr. Woodward.

At the same time, Chaffey officials have asked for expressions from all interested individuals and groups about the proposed bond issue. Comments may be sent to Mr. Woodward, to John B. Atwood, chairman of an Upland chamber of commerce committee, or to Chaffey Superintendent Dan B. Milliken.

Mr. Atwood's committee will convene soon to discuss the situation and views of all local people may be unified in a presentation to the Chaffey board and to the Ontario Association of Industry and Commerce.

Richard Barr, San Antonio Heights, president of the Chaffey college board, has expressed the belief that step one in the recent UCLA report on the Chaffey expansion program should be followed. This calls for a short-term building program for the high school and Chaffey college.

Former Uplander Is Honored As Community Leader

Mrs. Hazel Gill, former Uplander was named Business Woman of the Year by the Costa Mesa Business and Professional Woman's club.

Mrs. Gill, who is Costa Mesa postmaster is the former Hazel Thornton, sister of Mrs. Wm. Campbell, 433 N. Third Ave. and H. F. Thornton, 855 N. Fifth Ave.

Tony Stanson Eagle Scout Candidate

Boy Scouts will hold a Court of Honor, Monday 7:30 p.m., in the Upland Elementary school auditorium when Tony Stanson, Sierra Vista Troop 8 will be a candidate for Eagle Scout rank and many awards will be made to other Scouts.

Opening and closing ceremonies will be conducted by Sea Scouts of SS Tigershark and the program will include pictures of a spring cruise made by the Tigershark, according to Don Priest Serrano district advancement chairman, who is in charge of the affair.

Mr. Priest urged all parents to attend the colorful event, at the same time stating that all troops and packs should be on hand with their flags at 7 p.m. to prepare for the opening ceremony.

Attack, Thefts Figure In Police Cases

An unpremeditated attack on two Hollywood motorists by four youths, arrest of two youths for burglarizing an E. Seventh St. residence and theft of women's apparel from an Upland store highlighted the week's police activities, according to records on file in the city hall yesterday.

Frank Adkins, Pomona, was allegedly one of four men involved in a brawl at Stinkey's cafe, Foothill Blvd., early Sunday morning. He was in Judge Fred H. Jacobs' court yesterday afternoon for arraignment. He was released on $1,000 bail, awaiting preliminary hearing Oct. 11.

L. D. Babcock, Hollywood, was allegedly attacked when he drove his family into the cafe grounds for refreshments, according to Upland police department records.

Raymond Eugene Collins, charged with disturbing the peace and malicious mischief, was fined $100 and Marshall Atencio, and Donald W. Brimball, charged with disturbance, were each fined $75 for their alleged part in the reported altercation.

Lt. John Wessely of the Upland police department is cooperating with Los Angeles authorities on suspects in the burglary of the Upland Town and Country dress shop Friday night. Mrs. G. J. Campbell estimated the loss at more than $3000. Entrance was gained through a small window. Taken from the large stock was a choice selection of fall coats, dresses, jewelry, and hosiery. From the cash register, the thief took approximately $75.

The Lyle F. Bonnham residence was entered early this month and two youths are in jail today on a charge of petty theft. The boys were friends of the family, according to reports obtained by Fred Strohte, Tom Davis, Bill Smith and Felix Quesada of the police department.

New Patrolmen Are On Job

Two additions to the Upland police department are on the job today, having been selected by the city's examining board.

The new patrolmen are Carl Ostran, who has been living in Upland recently, and James Hudson, formerly of Los Angeles. Both are veterans, having recently been discharged from the armed services. The two men were chosen from six applicants and city hall officials reported all the candidates rated among the highest of any group examined for the department.

Congressman Harry R. Sheppard will be honored at a homecoming dinner at Harold's Charcoal Broiler, 16436 Foothill Blvd. Oct. 12, 7:30 p.m.

The affair is sponsored by the West End County Democratic Central committee and affiliated clubs.

I.O.O.F. Hosts For 800 People Here Tuesday

One of the largest lodge meetings ever held here with 100 different groups represented, is scheduled for Tuesday, 8 p.m. in the Grove theater.

Euclid lodge of I.O.O.F. will be host at a meeting and entertainment program on the stage and screen. One of several outstanding features will be the appearance of Earl R. Beecher, grand master of Southern California. Of special interest also will be the appearance of Richard Reider, Ontario Chaffey student, who won the United Nations Youth Pilgrimage to New York, one of the projects sponsored by the I.O.O.F. last year. He will speak on his experiences and give a commentary on a colored film of his trip. Many other grand lodge officers will also be present.

Refreshments following the program will feature many lemon pies, in recognition of this being the "lemon capital" of the nation and grapes, in token of Cucamonga's famous product, according to Carl Reitz, general chairman. The event is billed as the fourth annual lemon pie and grape festival. Nearly 800 persons are expected, this being nearly double the total of a year ago.

Featured will be a stage show with famed Granddy Dears Plus Two, grandma and grandpa band, which besides playing Gay Ninety and country style music, has built up quite a reputation as rock'n'roll exponents. The group has been heard at numerous large gatherings including the recent hog calling contest at the fair and the Tournament of Roses.

Richard Palmer, Wife, Son Home From Germany

Mr. and Mrs. Richard (Betty Palmer) Day and little son, Stephen Richard, are home today from Germany, arriving Tuesday night at the home of her parents, Police Chief and Mrs. Ralph H. Palmer. He has been discharged from the armed services in Germany and the family reached their civilian destination with arrival here.

Mr. Day was stationed at Stuttgart, Germany and Mrs. Day was with him there for more than a year.

City's Building Mark Is Double 1955 Construction

Up to five million dollars went Upland's 1956 building permits this month.

While the volume of new construction started here during September was only $194,200, the previous activities made a nine-month total of $5,080,759, according to Richard Derby, head of the building inspection department. Ten new houses were started in the month for a total of $160,500.

At this time a year ago, the 1955 building total was $2,289,7 less than half of the 1956 mark.

Cecil Chambers Plans Busy Retirement

By GERRY McGEER

Capt. Cecil M. Chambers of the Upland Fire Dept. is retiring on Sept. 30, but the popular long time resident of Upland says he isn't going to stop working. He has some interesting plans for his future, which include keeping busy, with a little more time for his favorite hobby of fishing.

Mr. and Mrs. Chambers returned recently from a 17-day fishing trip at Trinidad Bay, near Eureka, accompanied by Mr. and Mrs. Ralph J. Wilson. The two men had the distinction of being first to bring in the day's limit of three Chinook salmon, at the start of the season. While the men fished the women picked wild blackberries. They all joined forces for canning the delicacies and have something tangible to show for their outing.

Mr. Chambers was a volunteer member of th Upland Fire Dept. for seven years before he joined the permanent staff, 13 years and five months ago. With his son-in-law, Wm. A. Smith, he had been operating a service station here and employing five men. When three were drafted and one enlisted he applied for a vacancy with the city department. The business was sold.

His life began in Iowa 60 years ago. When he was 4½ years of age the Chambers family moved to Colorado where his parents had a farm and a dairy. It was when he was helping his mother deliver milk that he made friends with a signal man on the Union Pacific railway in Pierce, Colo. That was in the days of apprentice training. He was invited to apprentice himself as a signal man. He had completed his training and was on the job, on his own before he was 18 years of age.

He certainly felt lucky. Rated as an electrician he had largest pay of any company employes

Florence Tarleton is Given High Honor by Upland Women

MISS FLORENCE TARLETON

Teacher Named For "Woman Of Week" Award

Miss Florence E. Tarleton, who was retired as an Upland classroom teacher eight years ago, did not stop teaching.

She has been busy ever since in helping children and adults learn how to read and get other subjects.

For her constant interest in helping others, Miss Tarleton has been chosen as "Woman of the Week" and she will be honored at a meeting tonight of the Upland Business & Professional Women's club. Judges named by the club selected Miss Tarleton for the honor from a list of other candidates who had been suggested by residents in the community.

Miss Tarleton will be formally introduced to the club members at a meeting in the Upland Woman's clubhouse at 7 o'clock tonight. This is National Business and Professional Women's week and the local club took this occasion to honor an outstanding local woman.

Miss Tarleton came to Upland in 1920 as a graduate of what is now U.C.L.A.

GETS JOB HERE

"Upland was one of the places with a teaching vacancy and when I came here I interviewed Mrs. Manker, who gave me a job," the 74-year old teacher reported. Mrs. F. H. Manker, now retired as Upland librarian, was a member of the Upland board of education in 1920.

The honoree taught the fourth grade at the outset. During most of her 28 year classroom tenure, she was in the sixth grade at the Upland elementary school.

"Some of my former sixth graders still come to me for tutoring," related Miss Tarleton, adding: "I would rather teach than eat. It is so thrilling to work with people who want to learn. I don't get very much money out of it and I would do it for nothing if there were no other way."

One of her current pupils, a father of four sons, is unable to read English.

In the midst of tutoring one of her pupils the other night in her home, Miss Tarleton was advised

Two New Aides In City Offices

Appointments to the city's engineering and building departments were announced yesterday by City Manager Elwin Alder.

Jerry Martin, who has been employed by the Convair Corp., is the new aide in the engineering department. He will work under Engineer Harold Wilder.

Harold Bakken is a new inspector in the building department. He has been working in the department for a month and on completion of the examinations, he was formally employed as inspector. Richard Derby is head of the building inspection department and R. V. Pelty is his assistant.

READING COURSE

President John Martin of Upland college announces enrollment is still open for the course, "Psychology and Improvement of Reading", under the professorship of Elias Wiebe.

Break Ground For New School At Cucamonga

With the last hurdle cleared for erection of Cucamonga District school's $569,420 new plant, Mrs. Theresa M. Stafford, superintendent announced ground-breaking ceremonies will be held today, 2 p.m. on the new site, Archibald Ave., near McKinley.

Final go ahead for the new school was given by the State Allocation board, Sacramento, last week.

As the school trustee with the longest tenure of office Mrs. Millie Zimmerman, will officiate at the ceremony to be attended by many local dignitaries and officials. Col. C. Burton Thrall of the San Bernardino County school authority will speak briefly. Also invited to attend the ceremony by Ralph Bullock, principal, who is in charge of arrangements, are Mrs. Lloyd Neely, president Cucamonga District School P-T A, R. C. McDonald, president of the Chamber of Commerce, Leo Rairez, president Progisista; Herbert Vaughn, Service club, president; Ray Derfer, Lion's president; G. M. Mahan, manager Bank of America; Leslie Foster, Cucamonga Fire district; Anthony Blatnick, postmaster and west end school administrators.

GOP To Greet Senator Kuchel

Chaffey Community Federated Republican Woman's club held a board meeting, Tuesday, in the home of Mrs. Thomas Parker, president, when it was learned that Senator Thomas Kuchel will be in the west end, Oct. 9. Plans were initiated for a rally in his honor.

It was announced that the California Federation's, southern division, will meet Wednesday, in the Huntington Sheraton hotel, Pasadena. Luncheon reservations should be made with Mrs. Parker, 619-207.

Judge Jacobs Dorcas Speaker

Judge Fred Jacobs will be the speaker at the missionary meeting of the Dorcas society of Bethany Union church, Tuesday, 6:30 p.m., at a planned family potluck dinner in the church social hall. Judge Jacobs will speak on Alcoholics Anonymous.

The Rev. Albin Chalupnik will give the devotional and Pat O'Reilly and Jim Bray will sing a duet. Mrs. Arthur Peters is in charge of arrangements.

YR To Hear Work Reports

Chaffey District Young Republicans will meet Sept. 27, 8 p.m. in West End Republican headquarters, 106 West Holt Blvd. Ontario, according to Don DeVore, president.

A report will be given concerning total registrations completed by Republican registrars and also progress of precinct work of the club. Harold T. Atchison, state treasurer, is planning a discussion of sessions at the recent Y R board meeting. Robert Walline, vice president, Region 10, will announce the results of the YR membership campaign in the region.

Daylight Saving Ends Sunday A.M.

Clocks and watches should be turned back one hour this weekend. Daylight saving ends officially, Sunday, 2 a.m.

If clocks are turned back before retirement, Uplanders will be able to take advantage of the extra hour of sleep lost when daylight saving time went into effect last April.

Cecil Chambers Show Vacation Results

Mr. and Mrs. Cecil Chambers share a common love for the outdoors. For years they've been taking their vacation where a man can get a Chinook salmon on the end of his line and she can take advantage of picking wild berries. They display cans of his salmon, some of which he smoked, and jars of wild blackberries, which she picked and canned. Salmon and berries are now stacked on food shelves in their home at 469 N. Third Ave.

of her selection.

"Who me? . . .well, I have done nothing," exclaimed the devoted worker. She said she knew a friend, Robt. Theall, had mentioned that he was going to nominate her.

"But I never gave it another thought because I have not been active", she added. "All I do is just the thing I love to do — teach".

Mrs. Paul G. Hottel, committee chairman handling the nominations, had called at Miss Tarleton's home, 142 E. 11th St., to inform her of the judges decision.

AHEAD OF SONS

"That man is a real inspiration", observed the teacher. "He apparently wants to keep ahead of his children and he is so determined to be able to read just like any other father, I almost scolded him for not coming to me sooner but he was so determined to first pay his family obligations and was afraid he couldn't afford tutoring".

One observer who was questioned about the teacher by the judges in making up their decision, reported that "Miss Tarleton was willing to help anyone in need with no thought of remuneration".

"Well, I do like to do things whenever I can," Miss Tarleton observed.

A native of Massachusetts, Miss Tarleton returned to Concord recently for the 50th anniversary of her high school graduating class.

"I am a real airplane devotee now," she continued. "When I see a plane in the air, I wonder where it is going — and I know just how the passengers feel." She has used the airplane in her travels, going to Texas to visit a brother and to other places. This summer she was in the Hawaiian islands.

LATIN REVIEW

In college, Miss Tarleton studied Latin but 50 years later one of her pupils wanted some help.

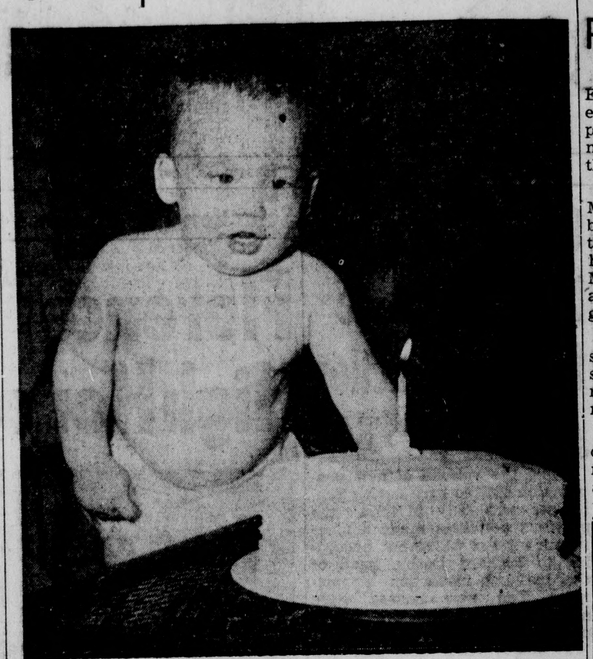

"That was really an undertaking," Miss Tarleton observed. "I had to study as hard as the student. Likewise with Spanish, I have had to study that too."

Miss Tarleton said she was "old fashioned" when it came to the method of teaching reading. "I believe in the phonetics and I tell parents at the outset I am old fashioned."

As a guest of the Upland club, Miss Tarleton will be honored by the members as well as the community at the meeting tonight. The meeting will be in the Upland Woman's clubhouse with Miss Velma Owens, president, presiding.

Mrs. Hottel will formally introduce Miss Tarleton.

Christopher Colvin's First Cake

Christopher, the son of Mr. and Mrs. Verne L. Colvin, 430 E. Arrow Hwy., Waited just long enough for his father to take this picture before he got busy and reached with both hands. Christopher's first birthday anniversary was Sept. 11. His father is an Upland city police officer.

St. Bridget's Plans Sale

St. Bridget's guild of St. Mark's Episcopal church met Tuesday evening in the Parish hall when plans were discussed for a rummage sale, Oct. 13 to be held in the Parish hall.

Invitations were extended by Mrs. Gene Mackey for a tea to be given by board members of the Women's auxiliary, in the home of Mrs. W. R. Mason, Monday, when the Rt. Rev. Donald J. Campbell, D.D. will be guest speaker.

Mrs. Norman O'Shea gave a short talk on the Seaman's Institute, a service mission for merchant seamen, regardless of religious affiliation.

Mrs. Frederick Bissell, president of St. Mark's Women's auxiliary, explained a plan to unify all three guilds of St. Marks into smaller unified groups.

Refreshments were served by Mmes. Peter Amodt, Harold Cook Jr., and Robt. Seager.

Formal Tea Party Opens Upland Woman's Club Year

Upland Woman's club first event of the year was a formal tea honoring 28 new members, Tuesday, 2 to 4 p.m., in the clubhouse. Mrs. Earl Riggs, president and Mrs. Carlos Jacobs, vice president and membership chairman, received the guests and introduced the new members. Other board members assisted as co-hostesses.

Mrs. Nellis McNeil presented each new member with a corsage.

Beautiful decorations, featuring feathery pink pampas grass and pink roses were used throughout the rooms. A large bouquet in the foyer was surrounded by pink and blue gourds, creating a beautiful effect in conjunction with the new grey toned carpeting. Mrs. Howard T. Weeks was in charge of decorations.

Tall pink lighted candles and a bouquet of exquisite pink roses decorated the lace covered tea table where Mrs. Earl Wenger and Mrs. John Skewis presided. Mrs. L. S. Collins, chairman of refreshments was assisted by Mmes. Robert Sappenfield, C. G. Hennessy, S. C. Bowman, Irvin Hartley, Loren Robinson, Harry Cameron and Eli Helmick.

Greenery and large cases of pink roses decorated the stage which was occupied by the Lyric Ensemble under the direction of Mrs. J. B. Swingle. Background music during the afternoon was played by Mmes. Swingle, C. D. Nellis, C. S. Stowell and Miss Betticarol Van Epps.

Belles Party For Husbands

The 20-30 Belles recently honored their husbands at a steak bake and swimming party at the Hofer ranch with Mrs. Peter Rakich in charge of arrangements. Swimming preceded an outdoor dinner with dancing.

In addition to members' husbands, guests were Messrs. and Mmes. Chas. Wilson, James Moore, Robt. Petre, Vaughn Higelin, Bernard West James, Whitey Lane and Ted Atwood.

More recently the Belles met in the home of Mrs. George Ludwig, 8210 Burgundy St., Cucamonga, when plans were made for a dinner meeting in RoVals. Present were Mmes. Guest Speakers Tell Importance Of DAR

San Antonio chapter DAR met for luncheon recenly in the home of Mrs. Joseph Visnak, 314 Harford Pl. when Mrs. H. G. Glunt, regent, presided at the meeting which followed and Mrs. Paul Tacke, chaplain, gave the invocation. The salute to the flag, led by Mrs. P. A. Logan, was followed by singing "The Star Spangled Banner", with Mrs. M. L. Gottfried at the piano.

Mrs. E. S. Seapy, program chairman, introduced the speakers who were Mrs. Harold Thompson, vice president general of C.A.R. (Children of the American Revolution) and Mrs. John J. Champieux, state vice regent.

Mrs. Thompson spoke of the importance of the children's organization as its members will later carry out the work of the DAR. Mrs. Champieux told of the importance of some of the activities of DAR, such as National Defense, medals to honor students of ROTC, citizenship manuals, good citizenship medals to eighth graders, conservation, American Indians.

This year's theme is "Cherish and Maintain American Freedom."

Guests were Mmes. John Skewis, Olive E. Rothenberger, Edith C. Appleman and Leighton H. Zebold.

Members present not previously mentioned were Mmes. M. L. Bonillas, Walter T. Garner, Bruce Grube, Wm. F. King, Wm. A. Marten, C. A Mayo, L. R. Nichols, Frank Opitz, Kerns A. Overton, Harry N. "Cube Steaks" from freezer to table in 3½ minutes— when you cook electrically!

TODAY NOTHING COOKS FASTER than a modern electric range. From a cold start with a cold pan, frozen steaks are ready to eat in 3½ minutes. Hot soup takes 68 seconds. Bacon and eggs, 3½ minutes. Fry, bake, broil or roast — electricity does it better.

THERE'S MORE: your kitchen is far cooler. And cleaner. Pots and pans stay mirror-bright. Kitchen walls look fresh much longer.

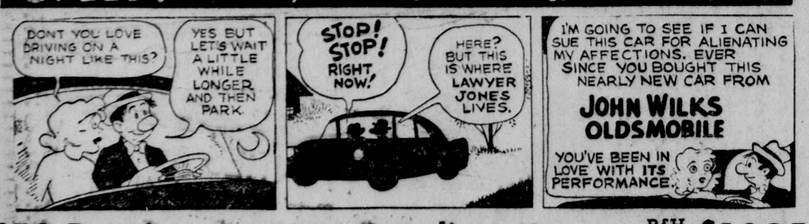

AFTER THE WARRANTY on your range expires, Edison services it *free* — charges only for parts, if needed.

IF YOU'RE STILL COOKING the old way, it's simply because you haven't seen the new '56 electric ranges at your appliance dealer's. Why not visit him this week and see how easy modern cooking can be?

Shopping Center Also Up For Discussion

Church Site Location To Be City Planning Issue Tonight

Should a church be allowed to erect a building in an area previously zoned for residences is one of the questions that will be argued at tonight's meeting of the Upland city planning commission.

Application of the Latter Day Saints of Jesus Christ for a site at the southwest corner of San Antonio Ave. and W. 11th St. will be up for consideration. It is known many residents in the area are opposed to the zone change. Another application for a new church will come from the Foursquare on a site on the north side of W. 8th St. west of Fern Ave.

Other major applications are for:

1. A shopping center on both sides of Mountain Ave. north of Arrow Hwy. This application is being filed by David Seares, Chas. Latimer and Robt. Sherwood.

2. Change of the property to the C-1 business zone at the southeast corner of Foothill Blvd. and Campus Ave. except the Foothill frontage. It is proposed that about 16 acres be zoned to permit construction of professional buildings.

3. Application of Alvin Musser to permit more residential development on Alpine St. west of San Antonio Ave.

Kiwanians Hear Mikesell On County Policy

Upland Kiwanis club met Tuesday at Sycamore Inn when W. W. Woodward, program chairman, introduced Daniel Mikesell, county supervisor, who talked on county government.

Mr. Mikesell used the opportunity for a sample poll of members on a number of pertinent county questions. After members had marked their polls he explained what had been done on some of the questions, which included budget, highways, personnel, zoning and general matters.

In the affirmative, he said the county has appropriated money for citizens' committee and has appropriated funds for county parks. The county pay scale is equal to similar pay elsewhere.

The county has appropriated $100,000 for highway purposes and the federal government has made $400,000 available.

County supervisors are working for the Devore cut-off to be a part of the state highway system.

Supervisors are in favor of a county training coordinator. In connection with personnel it is policy to remove some personnel from the civil service and place them on a classified list. Five persons have been so dealt with, he said.

Supervisors are not in favor of permanent zoning on the county level and will take no action to protect existing businesses when and if zones they occupy are changed, he stated.

changing supervisional districts.

No action has been taken in Marvin Decker, son of Orin Decker, a member, was a guest.

Frank Goodman Hurt On Job

Frank Goodman, 1835 W. Ninth St., construction contractor, is in Veterans' hospital, Long Beach, after suffering a badly shattered hip in a fall at his work on the new Staters' market in Claremont. Mr. Goodman is a U. S. Army veteran. He is believed to have fallen from 8 to 10 feet.

Presbyterians Open $250,000 Building Drive

With $250,000 as the goal, members of the Upland Presbyterian church are at the start of an intensive campaign to get funds for the new building on the church site, west side of Euclid Ave., midway between 11th St. and Foothill Blvd.

Model of the proposed building will be displayed in the Upland college gymnasium Friday night. Meeting at this place for final instructions will be many scores of campaign workers. An intensive two week campaign is planned. John B. Atwood is campaign chairman and Jarvis J. Leman is treasurer of the group. The Rev. Trusten A. Hart, minister, is ex-officio executive committeeman.

Other members of the campaign committee are Everett Henry, Robt. Thrall, Herman Wesp, Donald Jackson, Harvey Shirk and Robt. Buchenau.

Termed a "building program for Christian Growth", the campaign is expected to result in proceeds with which to finance immediate construction of the new building.

Total of 325 families will be represented among the workers. A dinner meeting in the Upland college gymnasium will preceed the formal start of the campaign tomorrow night.

In addition to members of the executive committee the following are chairmen of special phases of the drive:

909 team — Mr. and Mrs. Arthur Flum; prayer — Mr. and Mrs. Frank Palmer; prospect and research — Mrs. J. B. McCarter; personnel — Mrs. Ernest Fischer; public education — Mr. and Mrs. Allan Smith; training — Mr. and Mrs. Wm. Groneweg; office — Mr. and Mrs. Ike Staples; arrangements — Mrs. Dan Milliken and auditing — Mrs. Ruth Nichols.

Directs Music

JOHN ANDERSON

John Anderson has been engaged to have full charge of all music in the First Church of the Nazarene, the Rev. Wm. E. Thompson, pastor, announced. The pastor explained continuous growth of the church in all departments has necessitated the appointment.

Mr. Anderson is a graduate of Pasadena college with an A.B. in music theory. He has two years of graduate work at U.S.C. and has a general secondary credential and a special secondary credential in music. He was previously music director in the Church of the Nazarene, Washington, D. C. and Pomona. He will give supervision to all four of the church choirs and to the orchestra.

Democrats Set Meetings

The West End Democratic club will meet Monday, 7:30 p.m. at 208 W. Holt Blvd., Ontario. A second meeting is scheduled for Oct. 15 at the same hour and place for the purpose of discussing issues pertaining to campaign work.

Wm. Haldeman Is New Director Of Youth Choirs

Wm. Haldeman has been appointed director of the youths' choirs at the Upland Methodist church. He is the son of Mr. and Mrs. Abner Haldeman, Seventh St. and Mountain Ave., his father being business manager of Upland college and an Upland city councilman.

The new music director will work with Carl Hess. who is in charge of the adult choirs. A graduate of Upland college, Mr. Haldeman is studying voice in working for a master's degree.

Christian Spark, Sermon Subject

The Rev. Wm. E. Thompson, pastor of the First Church of the Nazarene, will speak on, "The Spark of Christian Achievement," Sunday, 10:50 a.m. Mrs. Wally Waters will be the soloist.

Sunday school is at 9:45 a.m., Junior Church is at 10:50 a.m. Junior Society, NYPS and class meeting are at 6 p.m.

The pastor will speak during the 7 p.m. service.

Truth may be hard to ascertain but the search warrants the attention of all individuals.

Youth Service By Life Group

A musical group comprised of Life Bible college students will conduct the youth service at 6:15 p.m. and the 7 p.m. evangelistic service at the Upland Foursquare church Sunday night.

Speaker at the evangelistic service will be "Oklahoma Bill" Wm. Philpot, who is also a popular evangelistic singer and specilizes in "ranch style" singing.

The pastor, Dale F. Reynolds will speak on "Meditative Miracles" for the 11 a.m. worship service.

Jewish Fete

This area's newly organized Jewish Community center will hold its first annual Simchas Torah celebration tonight, 6:30 in the center, 963 W. Sixth St., Ontario. Traditionally the festival is an occasion for singing and dancing during which the sacred scrolls are paraded around the synogogue by male congregants followed by their children carrying flags.

It's a good idea to read a book, but a better idea to be careful of the book that you read.

Sierra Vista Plans Carnival Saturday

First graders at Sierra Vista elementary school say they want everyone to know what a wonderful time everyone will have at the P-TA. Carnival Saturday afternoon, beginning at 1 p.m. The large stuffed toys being held invitingly by John Kistinger, Richard Corrillo, Linda Cortez, Phyllis O'Reilly and Sandra Thomas are prizes in the ring toss.

Kids Await Sierra Vista Carnival Day

Final arrangements for the Sierra Vista P-T A carnival at the school, Saturday 1 p.m. to 7:30 p.m. are being completed. The affair is rated a big event of the year by many students.

Available food for the evening meal will include tacos sold by Mr. and Mrs. Vaughn Dunlap, salads, hot dogs, chile beans, pie, cake, ice cream, coffee and milk.

Room mothers in charge of booths are Mmes. Gordon Houtz, Clyde Kimball, Wm. Kistinger, Roy Shimaji, Nellis McNeil, Jack Newsam, Ira Holland, Virgil Williams, Allen Palmer, J. E. Jordahl, Maurice Long, Walter Matlin, Clyde Mackall, James lwalker, Charles Walker, Franklin Stanson, Earle Casler, J. L. Haldeman.

Many novel games are included in the day's fun, including lei toss, ring toss, sieve fishing. Girl Scouts will have a popcorn booth, Brownies a candy booth, Boy Scouts a bean bag toss and Cub Scouts a lemonade booth.

Room mothers held their first meeting last week in the home of Mrs. Vaughn Dunlap, president, when Mrs. O. H. Turner Jr., room mother chairman presided and outlined duties for the year. Mrs. Arthur Lichti, budget and finance chairman, told of carnival plans and appointed each room mother as a booth chairman.

Mental Health Group To Meet

James J. Burr, field representative of the National Assn. for Mental health, will be the speaker at the meeting of the West End Mental Health Assn. in Chaffey college room 73, 8 p.m. next Wednesday.

Mr. Burr will also meet next Wednesday with various committees of the local association in helping to carry out the local projects. The meeting schedule follows: finance - membership committee in the Upland college, at 10 a.m.; education committee at home of Don Shattuck, 824 W. 20th St. at noon buffet luncheon for members only; community service committee at home of Mrs. Wendell Harmon, 433 N. Sixth Ave., and research committee, 4:30 p.m., Chaffey college.

The Rev. Paul Goering is president of the association. He has outlined a constructive program for the group. Additional members are sought.

Chambers Plans Busy Retirement

(Continued from page 1)

in Dent, Colo., a railway junction, where he also lived, rent free, in a railway car. His pay was $75 a month, but the depot master only received $65. He was able to help his mother. To illustrate the difficulty of the times, just before World War I, he says a merchant in the town told his mother he would be very grateful for work that would bring him all that money.

Dent was a friendly place and it wasn't long before the young signal man was being entertained and presented to the girls of the settlement by the stationmaster's wife. Mrs. Chambers, who was then Olga Victoria Hill, says it was her homemade candy that won her the handsome young man and she planned it that way. The first night she met him after choir practice while the other girls smiled and talked to him she got busy in the kitchen and made some fudge. When she brought it in, they didn't have a chance!

The couple have two children. Mrs. Wm. Smith is their daughter Vivien. The Smith family resides at 1234 N. Laurel Ave. Their son Robert and his wife live in Claremont.

Mr. Chambers, who is a member of the Upland Masonic Lodge and Odd Fellows, will be retired from the fire fighters, Sept. 30 but he will long be one of the boys for he will be an honorary member of the Volunteer Fire Dept., sharing their social activities, if not their fire fighting. Both Mr. and Mrs. Chambers are members of the First Methodist church.

Dr. Abbott's Mother Dies

Mrs. Laura K. Abbott, 79, a resident of Ontario and mother of Dr. C. Norman Abbott, Red Hill, died Tuesday in San Antonio Community hospital.

Funeral services will be held Friday, 10 a.m. in Draper Memorial chapel when Elder Forrest Abbott of Ontario Seventh Day Adventist church and Elder W. M. Adams Jr., of San Bernardino Seventh Day Adventist church will be the officiants.

B Team Plays Here Today

Upland high school "B" football team will play on the local field at 3 p.m. today.

Arroyo high school of Rosemead, another three-year institution, will send a versatile squad here to face Coach Jerry Kehr's large collection of young players.

Winning over Chino last week, the local squad has many followers who believe today's game will result in another local victory.

Upland Gridders Face Foes

"While we have some very good individual players, we really have a well-rounded team," Coach Jerry Bell observed yesterday as his hefty squad of Upland high school gridders prepared for the second game of the season.

Upland will be on the Rosemead high school field at 8 p.m. tonight.

"I used 29 players in winning over Chino 7 to 6 and I hope to use more than that against the Arroyo school team," predicted the mentor.

Allen Mitchell, son of Mr. and Mrs. Ellsworth Mitchell, Foothill Blvd., Cucamonga, is the big cog for the W. 11th St. school but Skip Wulf is another key man in directing plays.

"He played an outstanding game at quarterback," emphasized the hard working ex-Chaffey college star. "He made very few mistakes and any success this season will be partly due to his leadership and the fine team spirit of every man on the squad.

Wulf is the squad's punter, with his boots averaging 35 yards.

Larry Strong is a strong man on the line. He weighs 202 pounds — as do also David Priest and Don Bangle.

As to the Chino victory on the foes' field, Mitchell, a power plunger, gained 159 yards in 21 plays. He carried the brunt of the work but Mike Hanamura, a fleet-footed runner, scored the extra point on a run after Mitchell crossed for a touch down. Lino Robledo, at halfback, is another bright light in the backfield.

The same starters who opened at Chino will be on the field for the kick-off tonight, according to Mr. Bell.

Another game on the Rosemead field at 3 p.m. today will pit the C teams from Arroyo and Upland high schools. Incidentally, the C teams are the only ones in a league at present and this will be the first official encounter for the squads from both schools. Bill Wolfe is the head mentor for the pint-sized players. Class C players are in this group on the basis of their age, weight and height.

Many observers will be interested in this game and as Wulf puts it: "I really don't know much about the team because this is our first real competition and I can't predict how the players will stack up."

Wolfe was strong in his praise of the young players' fight and of the keen rivalry for the top spots. The starting line-up may be:

Larry Horak, Steve Correa, Jon Kay and Dan Lynch in the backfield: Mike Williams, Bob Ferguson, Richard Stewart, Junior Fuentes, Kenneth Smith, Harold Chandler and Ed Lewis on the line.

CUCAMONGA INCORPORATION PROTEST MEETING CALLED FOR OCTOBER 5

Decision On New City To Be Made Oct. 22

People opposed to the incorporation of Cucamonga are invited to a public meeting in the Cucamonga chamber of commerce office, 7:30 p.m. Oct. 5.

In an effort to "work out differences," the meeting was called following the public hearing before the San Bernardino county board of supervisors Monday. Before the officials was the question of calling an incorporation election but due to the large acreage represented among the protestants, the hearing was continued.

Decision on the request for forming a new city or dropping the proposed proceedings was continued until Oct. 22. Supervisor Dan Mikesell suggested the continuation due to the apparent inability of the Cucamonga citizens to unite on a common program. Stanford Shaw, attorney, presented the appeal of the incorporation committee for an election, pointing out that 1,000 names were recorded on the formal petition seeking incorporation. Names of 500 persons opposing the new city were on petitions presented the supervisors.

Frank Grove, who was one of the leaders in the opposition movement, spoke for land owners who sought to remain outside of the proposed city. Ed Marks, president of Red Hill Country club, asked that the club property be exempt and Frank Mosher, ...ke for the Red Hill Improvement Assn., asking that the Red Hill residential area be excluded. L. J. Barden spoke for the Garrett & Co., asking that the extensive grape lands not be placed within the city.

Leslie Foster, head of the incorporation committee, pointed out that in most residential areas residents favored incorporation and that it was in general the owners of large holdings who favored exemption. Mr. Shaw argued that Cucamongans have had considerable experience in self government through operation of the various assessment districts.

Orchard Heater Permits Available In Cucamonga

Citrus growers in the unincorporated areas may obtain assistance in getting orchard heater permits through the Cucamonga office of the county agricultural office.

The office is open from 8:30 to 9:30 a.m. Tuesday and Thursday during October. The telephone number is 27-575.

Grape Harvest In Full Swing

With the grape harvest in full swing in Cucamonga and Etiwanda between 9 and 10 carloads of zinfindles are being shipped by the Pacific Electric daily, according to Herbert Hall, stationmaster.

The grapes are being picked at Hillside Vineyards, L. Bar S Ranch, Grapeland and Elena Bros. and E and S in Etiwanda.

Local wineries are at their busiest in a harvest that promises to be fast and short, compared to other years. "We expect the grapes to be all picked by the middle of October," Mr. Hall said.

Parking Regulations On Hellman Ave.

Whether auto parking regulations will be required in the vicinity of San Bernardino Rd. and Hellman Ave., Cucamonga, will depend on the number of persons using the new Cucamonga center.

The former Cucamonga school is being converted to the community building. If a large number of cars are parked there for night meetings, the county highway commission may be required to adopt parking regulations, it is reported.

Mr. and Mrs. L. Victor Zarrow, 1429 N. Euclid Ave., have as their houseguests his parents, Mr. and Mrs. Leslie J. Barrow, Franklin, Ind. The visitors plan to remain two weeks.

Alta Loma Plans Meetings On Bond Proposal

Reasons for a $125,000 bond issue in Alta Loma will be discussed at community meetings Oct. 4 and Oct. 10.

Only $35,000 of the sum can be sold during the current fiscal year but approval of the bonds will result in the purchase of a site for an additional school and to improvements of the present site and the addition of additional classrooms. The Alta Loma P-T A will hold an open house at 7:30 p.m. Oct. 4, when the proposed bond issue will be discussed.

The Alta Loma school board meeting will be Oct. 10, 7:30 p.m. when all citizens are invited to attend.

Remainder of the $125,000 bond issue will be sold as the law allows and needs arise. With these funds it will be possible for the board to do some long range planning for an eventual population of 1500 pupils.

"Long range planning can be carried out only if the funds are at hand and in the long run can save the tarpayers many thousands of dollars," said Floyd Stark, principal.

2 Celebrations For Mrs. Bewley

Mrs. Louise Bewley, 341 Hervey Ave., will never forget her recent birthday anniversary.

After a luncheon celebration in the home of her cousin, Mrs. Paula Lamb, Ontario, she returned home to a second surprise celebration.

In her absence, children of the neighborhood had cut her lawn, weeded and edged the borders. When she returned they popped out from hiding and serenaded her with, "Happy Birthday."

Then they presented her with a beautifully decorated cake.

"It was seomething magnificent," she said. "So unexpected. "I don't know how they knew."

In reporting the incident a neighbor said, "It was a fitting tribute to a fine and lovely lady. Mrs. Bewley not only loves and champions all the children, but their pets as well, can depend on a soft word and a gentle hand when they cross her path."

Children who participated were Patricia and Karen Hicks, David and Pamela Vestal, Michael McKenny, Dennis Hazelton, Judy Gandy, Boyce Diedre and Billy Ellerbeck.

Elementary P-TA Drive For Members

Upland Elementary school P-TA. will begin the annual membership drive, Monday.

Mrs. Richard Hill, membership chairman, states that each room with 100 per cent parent membership will receive two silver dollars to spend for some addition to the classroom.

"The drive will terminate Oct. 8 and the executive board has extended a cordial invitation to all parents with children in the school to join in making this a most successful year for the school and the children," Mrs. Leonard Brown, president said.

BEULAH CIRCLE

Beulah circle of the First Methodist church will have as its honored guest in the church parlor, Oct. 1, 7:30 p.m., Mrs. John Strom, recently returned from Europe. Mrs. Strom will show colored slides taken during her trip. Mrs. John Funk will head the committee serving dessert. There will be group singing and Mrs. Donald Bowers, president, will preside.

EXPLORERS MEET

Gene C. Mackey, Explorer Advisor, Troop 5, attended a meeting of Explorers and advisors recently in the First Lutheran church for the first roundtable of the season. Explorers were urged to participate in the Ground Observer Corps program and advised of an Explorer Rendezvous at Port Hueneme, Nov. 23 through 26.

HOME SERVICE

The Home Service committee of the Red Cross will hold a luncheon meeting, Monday, 12 noon, in the Red Cross office.

Their Savings Keep Us Growing...

General Telephone Company of California is owned by more than 7,500 people and institutions representing many different walks of life

Since World War II our company has grown at an almost unbelievable rate. To provide new telephones and improved service required an increase in plant and equipment of more than 600%.

In *27 short years* our investment has grown from $10,000,000 to $245,000,000. Yet the *big job* of meeting the demands of California's growing population still lies ahead.

During the next *30 months*, $210,000,000 has beer programmed for this purpose. Nearly all of this money must be raised through the sale of our stocks and bonds.

It is our responsibility to make certain that those who purchase these securities, as well as our present shareowners, are paid a reasonable return for the use of their money.

Adequate telephone rates *must* be maintained at all times to fulfill this responsibility.

Retired, Able Bodied Citizens Can Serve Community

What are the retired, able bodied people of the Upland district doing to help improve their community?

This is a timely question today in the light of an award to be given tonight at the meeting of the Upland Business & Profesional Women's club. The honor is going to a woman, retired from her usual vocation, but who is giving much time for the benefit of those who need help.

One of the judges asked the question; "What are other retired people here doing for their community?" Thus we have the question for today.

We believe it is a good question — and we hope it may bring forth volunteers from our many retired citizens to help in the many worthwhile projects in the community. Many retired citizens have already contributed greatly to local projects and they have served with commendation.

Others, however, might volunteer for their turn at community leadership. The Red Cross, chamber of commerce, recreational projects and other endeavors need the help of many volunteers.

City Officials Must Continue To Insist On Depressed Freeway

The proposed "upper" freeway through Upland may be the subject of prolonged discussion.

Some people understand that "it is a policy of the California highway commission" not to construct any more depressed freeways. Thus the question of whether the proposed freeway between 19th and 20th Sts. is to be depressed or on the surface with a "bridge" spanning Euclid Ave. is very important. The Upland city council is firm in its determination that only a depressed route will be permitted. We believe that all Uplanders back up that determination.

Clyde V. Kane, district highway engineer, has asked the councilmen for an official designation of the proposed route. This designation was given sometime ago on "condition" the route is depressed.

Mr. Kane has added another chapter to the discussion by again asking that the depressed condition be removed from the designation. The councilmen have replied; "we will not omit our insistance on the route being depressed but we will be pleased to confer with you."

The state engineers should well know by now, people in this community want only a depressed freeway — just as the San Bernardino freeway — and that relenting on this point might eventually mean loss of control of what we get.

To Eisenhower Supporters — Much Work Is Required

An Eisenhower booster, on returning to Upland from a brief tour of central California, is depressed over the outlook for reelection of the Republican ticket Nov. 6.

While President Eisenhower won California by a huge margin in 1952 it is likely the race will be very close. Victory can come only through an unprecedented turn-out at the polls of Eisenhower supporters.

Most Eisenhower supporters cannot understand why any voter would want to make a change but the fact remains that up and down the state, apparently, are enough people who are yearning for something else than what we have now.

The depressing Eisenhower report now should spur on all real supporters of the president. Much precinct work is to be done and the wave of enthusiasm that followed the Republican convention must be revived and intensified — if the president is to be reelected.

Sharps and Flats

By Chuck Barlow

This tome is not intended as a gripe session. It is rather this writer's dim views on one of the most exasperating phases of life today.

To me the telephone represents the most impolite single thing in this world. There is no moment too sacred for a phone to start jangling.

Many are the salesmen who watch the psychological moment go up in the static of a telephone call. The prospect listens quietly while the sales story unfolds. By his attitude the salesman feels the sale is in the bag. As he reaches for his order book and ball point the phone jangles.

"Pardon me", the prospect says as he reaches for the phone.

As the prospect listens his face clouds and wrinkles stand out on his forehead. His marital compass, on the other end of the line, has discovered lipstick smudges on one of his white shirts while preparing the laundry.

After a bad five minutes he cradles the phone, shoots a harassed glance at the salesman and waves a weak hand. "Not today", he croaks, "I'm not ready to buy yet. See me next season.

Salesmen, especially, feel the brunt of this impolite servant. If the hours wasted each week by salesmen because of the telephone were put into productive energy a structure could be raised that would make the pyramid of Cheops look like a gopher mound.

In a newspaper office, at times, explicit instructions must be made to cover a particular operation. It is important that these instructions be understood and followed to the letter. In the middle of the most important sentence, when silence is golden, what happens? You guessed it. The darn phone rings.

If there is anything worse than one phone full of wrong numbers it's four phones on a rotary system. This is what we use at The News office. It is grim indeed for the one caught in the office alone.

At times one slips into the office to complete, uninterrupted, a bit of work. About the time the job is going good the phone rings. Some baffled subscriber wants to know how come the paper arrived a day late. While struggling for an answer the rotary system allows one of the other circuits to ring.

"Pardon me", I say to the baffled subscriber, "the other phone is ringing. Hang on a minute".

The new conversationalist informs me that he is fed up with the latest editorial appearing in The News and if we don't stop that kind of Tommyrot he is going to drop the newspaper. "This is the wrong department to register such a complaint", I tell him suavely, "The man you should talk to . . ." r-r-r-ring . . . that danged rotary system has chimed in again.

"Pardon me", I beg of the editorial critic, "the other phone is ringing. Hang on while I answer it".

A sweet voiced operator informs me that a long distance call from Norco is on the wire and would I hang on while she gets the other party all squared away. By the time this call is concluded the baffled subscriber has given up all hope and vowed to cancel out and the editorial critic has slammed down the phone in disgust, swearing to do V.V.P., the boss, in at the first opportunity. The call from Norco turns out to be a wrong number really intended for the Upland Motors.

This is but a sample of the impoliteness of the telephone. The most exasperating of telephonic experiences is to be in the shower, alone in the house, when the phone starts ringing.

One's first impulse is to let it ring. And it does just that. Long and incessantly with never a pause for breath. Three minutes of this does things to one's nerves. In desperation, a towel is draped about the hips as one dashes dripping to the telephone to have it jangle its last as the hand is extended to snatch it from its cradle.

Or did this ever happen to you?

If the General Telephone Co. picks this up as a sales pitch for extension phones I'll sue 'em, so help me.

Time Passes

25 Years Ago

Citrus growers were conducting a campaign urging people to drink two glasses of orange juice daily with some lemon to avoid many of the ailments peculiar to middle age.

Newly purchased clothing, in quantity, was stolen from the John Reynolds home, Eighth St. and Benson Ave., while the householders and a house guest were absent, early in the evening. Coats, sweaters, dresses and lingerie of Mrs. Reynolds and a guest were taken. Entrance was gained by opening a screen on an open window.

The rains had started for the season with .09 inches falling in one day, bringing a total of 1.22 inches since July 1. Additional showers were expected.

Long a controversial subject name changes for Upland streets were tabled by the Upland Planning Commission.

The commission moved to stop additional neighborhood stores being built and operated on residential area corners in a move to restrict business to zoned business areas.

With evidence of plenty of deer in the mountains hunters were having difficulty with their marksmanship and few of the animals were being shot.

Cucamongans were holding a ladies' night dance in the Sycamores, under leadership of the Service club, John Klusman, president, with proceeds going to an unemployment relief fund.

There was assurance the county would allot $22,500 in flood control funds for work in the Cucamonga basin.

Mrs. Susan E. Haughs, chief telephone operator in Upland, was honored after 25 years of service. She began as night operator in 1906.

Re-elected to the board of directors of the Citrus Fruit Assn. were F. E. Wilcox, W. M. Mertz, W. P. Arden, J. F. Wyon, W. P. Stover, B. E. Williams and Gilbert Benson.

Chas. E. Harwood, grand old man of Upland, was to be honored with a party on his birthday anniversary. He was to be 101 years of age. He was a leading Upland business man, prominent in the birth of the citrus industry here.

Euclid Ave. was being established as a one way, north and south thoroughfare.

Licensed contractors were being invited to a meeting of the Upland Housing Authority for a preview of plans and specifications for the first low rental homes being built at Los Olivas.

Total student registration at Alta Loma was 120.

The Red Cross was sponsoring local First Aid projects and Upland was rated one of the most active chapters in the Los Angeles area. Newest First Aid station to be established was in Etiwanda and new equipment, consisting of a tobaggan type stretcher was to be furnished Camp Baldy's first aid unit.

Robt. L. Berg, principal of Cucamonga school and his mother, Mrs. Ella Berg, had taken a house on G St.

The new 1942 model Ford was being anticipated. Ellery F. Wright was the local agent.

Mrs. Norman Springer captained the Red Hill woman's golf team and Mrs. Page Hubble was handicap chairman.

Dr. Abbott Added To Staff At Casa Colina

Dr. Norman Abbott, Red Hill, Cucamonga, is one of four doctors recently elected to the medical staff of Casa Colina.

Dr. Ward Rolland, chief-of-staff also stated that medical plans for the rehabilitation center are being expanded in anticipation of increasing the hospital's facilities.

Dr. James Latimer — This Life We Live

THINGS MOST FEARED

Some years ago a British publishing house issued a book of sermons by laymen. There were and still are great preachers in England but the public wanted to know what the men of their time were thinking. One of the sermons was by the late Gilbert Chesterton. He was a brilliant critic and is known for his writings on Dickens, Browning and Shaw. He wrote fiction also. Now this brilliant man was to write a sermon! The public expected something clever and they found it. He wrote a sermon Against Fear. That may not be the exact wording but it carries the thought. It set me thinking. I began by asking what I feared most of all? I asked also if what I write today will be of any value whatever and if anyone will be helped thereby. If not, then I should stop writing and begin to do the things one is supposed to do when he retires.

So I sit here in my study or office and think. I look out upon the world and it is good. Children are wandering up the street to catch the school bus; a woman is hanging out her washing in the morning sun; another mother is playing with her young and is radiant; the roses are still blooming and are of continued joy; the trees are bent down with foliage and with fruit. It is a good world! There seems to be nothing for me to fear. Then I turn on the radio for a bit of music to lift up my soul. Instead, I get reports of death on the highways, of new bombers, of jet planes flying many times faster than sound, I hear of labor strikes, and of other things meant for our protection or for our destruction. It is not fear that sets me to wondering about what all these mean to humanity. It may mean the destruction of the civilization we think is good. Historians tell us that as many as eleven such civilizations have been known before and have been replaced by those men thought were better. So I am just waiting to see what will come to pass.

In the days past I have asked what people fear most of all. One kindly soul said she only feared becoming a burden on others. She did not want to enter upon a useless old age. I agreed with her. That would irk me also. Another fine soul said he did not want to die, because he enjoyed every day to its full. His was a valiant soul. Then I began to ask such questions of myself and found an answer or two. I am sure I do not fear death, nor financial loss. Death will come without my choosing and I never had enough of this world's goods to be concerned. And as for leaving this world I suspect I look forward to that day as being the finest of all days. You see, I have so many unanswered questions in my mind and heart and I shall have the answers then. In my better moments I just lay aside any fears that creep in and join with Cardinal Newman, who wrote,

"I do not ask to see the distant scene; one step is enough for me".

Sharon Goodman, Russell West Tell Engagement At Barbecue

The engagement of Miss Sharon Goodman, daughter of Mr. and Mrs. Frank Goodman, 1835 W. Ninth St., and Russell West, son of Mr. and Mrs. James West, 9363 Monte Vista Ave., Monte Vista, was revealed recently to friends and family members during a swimming and barbecue party at the West home.

Miss Goodman was graduated from Chaffey High school in 1955 and later took nurses' training at Mt. Zion hospital, San Francisco for a year. She is now in the office of a Pomona doctor.

Mr. West was graduated from Chaffey High school in 1953 and was a member of Future Farmers of America. He was graduated from Mt. San Antonio college in 1955 and is currently a senior at the University of Califorina Davis, majoring in agriculture. At Davis he is social chairman for Phi Delta Theta fraternity.

Swimmers Vance Miller, Marion Tomkins Married

Vance R. Miller and his bride, former Uplander Miss Marian Ranelle Tomkins, daughter of Mr. and Mrs. Frank E. Tomkins, were married in the First Methodist chapel, Ontario, Sept. 9, and are making their home in Westwood, following their honeymoon in La Jolla.

Mr. Miller is the son of Mr. and Mrs. John C. Miller, 9053 Vernon Dr., Upland.

Baskets of white gladioli and pink carnations with satin pew bows decorated the church for the ceremony performed by Dr. Rufus Oakey with 125 guests in attendance. Mrs. Ralph M. Myers was the organist.

The bride, given in marriage by her father, wore a gown of bodice. Circles of lace enhanced the very full tulle skirt. Her headdress was a halo of pearl orange blossoms and her illusion veil was finger-tip length. She carried white orchids on a white prayer book.

Miss Myrna Cutter, Arcadia, maid of honor, wore a waltz length turquoise chiffon frock with a white flower headdress. She carried a bouquet of pink carnations.

Dr. Jack Culbertson Miller of Claremont was the best man and the ushers were Roy E. Tomkins and Gaylord Miller. George C. Tomkins was the candlelighter.

Mrs. Tomkins chose a grey silk dress with pink accessories while Mrs. Miller, mother of the bridegroom, wore a powder blue dress with white accessories.

Guests were greeted in the chapel reception room following the ceremony when white gladioli, pink carnations and fern were the decorations.

Assisting as hostesses were Misses Letty Maurer, Sherry Sorg, Margaret Castallini and Mrs. Bernice Moore.

The bride was graduated from Chaffey High school and Chaffey college and is enrolled in her senior year at the University of California Los Angeles as a physical education major.

On Chaffey campus she was publicity chairman of the MacDowell club and social chairman of the sophomore class. An expert swimmer she taught Red Cross swim classes for six years. This fall she is taking her student teaching in swimming and dancing at Santa Monica Junior High school. As a dancer she has appeared in recitals and extravaganzas at Chaffey where she was a member of Phi Epsilon and served as song leader in her freshman year.

Mr. Miller is a graduate of both Chaffey High school and college and is in his senior year at UCLA. At Chaffey college he was voted Southern California Swim champion and is currently a member of the UCLA swim team. He has been a life guard and swimming instructor for the Red cross for the past six years.

Mr. and Mrs. Lee Archibald have recently returned to Upland after spending two years in Portland, Oregon. They have just purchased a new home at 531 Highland Ct., and are very busy remodeling. Mr. Archibald is a salesman for the Singer Sewing Machine Co. They have three married children living in the Upland area.

Jr High P-TA Tea For Moms

Plans for a tea, Oct. 3, welcoming mothers of seventh graders, were made at a board meeting of the Upland Junior High P-T A last week, in the home of Mrs. Walton Wolfe, 1270 W. 14th St., when Mrs. Max Vaucher, president, presided.

Eighth grade mothers will be hostesses for the event with Mrs. Geo. Wise, chairman and Mrs. Stephen Yacura, co-chairman.

The budget for the coming year was presented and accepted by the board.

Plans were discussed for a Fiesta, which will replace the regular November meeting.

Mrs. James Mertz told the board that the California P-T A endorses propositions two and three.

The first meeting of the new school year will be a "Back to School Night", Oct. 16, 7:30 p.m. when there will be open house in all classrooms.

Too often news is not what happened, but what people think has happened.

Chas. McKellar, Bride Now Living In San Francisco

Mr. and Mrs. Charles William McKellar, she is the former Miss Joy Ann Galitz of Ontario, are now in residence in San Francisco, following their marriage in the Westminster Presbyerian church and a honeymoon in Laguna Beach.

Mr. McKellar is the son of Mr. and Mrs. Chas. Edward McKellar, 8606 S. Turner Ave., Cucamonga and the bride's parents are Mr. and Mr. Lester Edmund Galitz, 416 E. Rosewood Ct., Ontario.

The Rev. C. Eugene Barnard officiated at the ceremony Sept. 8, with 250 family members and friends in attendance. Lighted candles, baskets of white stock chrysanthemums and gladioli flanked with palms were used as decorations.

The bride, given in marriage by her father, wore a gown of Alencon lace and pleated tulle over taffeta. The bouffant floor length skirt swept to a train. The fitted bodice was styled with a scalloped V. neckline and her full illusion veil was held in place with a dainty pearl crown. She carried a cascade bouquet of feathered carnations, stephanotis and ivy.

Mrs. Alvin Canup, matron of honor, Miss Elaine Springer, Ontario and Mrs. Stanley Pace, Long Beach, bridesmaids, wore identical gowns of cameo pink taffeta with matching pink tulle hats. They carried colonial bouquets featuring pink and blue rosebuds, carnations and delphinium.

Candlelighters Miss Judy Galitz, sister of the bride and Kitty McKellar, sister of the bridegroom also wore cameo pink frocks and carried pink and white carnations with delphinium.

John McKellar was his brother's best man and the ushers were James McKellar, another brother and Elmer Allen.

"Through the Years", and "The Lord's Prayer", were sung by Richmond Mitchell, accompanied by Mrs. Murvin Peterson, organist.

A reception followed in the church parlor and patio. To receive the guests, Mrs. Galitz chose a cocoa colored lace over taffeta sheath dress with match-accessories and a corsage of yellow roses. Mrs. McKellar, mother of the bridegroom, wore a black and white silk print with black accessories and a corsage of yellow roses.

Out of state guests included the bride's grandmother, Mrs. Louise Galitz, Evanston, Ill.

Assisting at the reception were Miss Jean Galitz, sister of the bride; Miss Irene Alba, Mmes. W. E. Walk Jr., Harold Murphy, Frank Brennan and Mr. and Mrs. Robt. Worrell.

For the honeymoon Mrs. McKellar chose a beige flannel suit with olive green accessories.

Mr. McKellar, who was graduated from Chaffey High school in 1953 and attended Chaffey college, before entering the U. S. Army, is stationed with a guided missile unit.

Mrs. McKellar was graduated from Chaffey High school in 1955 and attended Chaffey college. She was a business major.

Is Backache Kidney Trouble?

By Dr. F. B. Arvin

Many people have the idea that backache is caused by a kidney ailment and they take something to purge the kidney but many times that backache is persistant even after such measures are taken. In reality very few backaches are caused by the kidneys for only in rare kidney diseases is there any pain whatever in the back.

Pain or backache between the hips and in the lower part of the back is caused by pressure on spinal nerves caused by a misplaced spinal joint, and to be permantly rid of the persistant, nagging backache, the cause of the weakness must be dealt with. A man, aged 30, consulted a local scientific chiropractor recently about a backache he had experienced four years. Through Chiropractic examnation revealed decided curvature of the spine, pinching vital nerves in the lower back, which was basic cause of pain.

The spine was straightened by painless Chiropractic adjustments. Patient noticed relief the second day and at the end of 8 weeks patient was dismissed with all back ache gone.

Remember that few backaches are caused by kidneys but are basically caused by misplaced spinal joints and your Chiropractor specializes in correction of these conditions.

THIS IS WHERE TOMORROW STARTS
A new "inner car" gives you a NEW KIND of FORD for 1957! Coming October 3rd.
On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!
Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.
The Big New Kind of Ford is that kind of news . . . a car totally new in design from crest to trunk lock.
This completely new automotive package will sell at the traditionally low Ford prices.
This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.
When you see it, other cars will look out of date, because . . .
This is Where Tomorrow Starts . . . with a Big New Kind of Ford!
The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.
To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.
The New Inner Ford
The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.
The New Ford Body
The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.
All these features were engineered to give you a solid new kind of comfort.
The New Ford Ride
The New Kind of Ford sits six people as no other low-priced car has ever sat them—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.
The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.
The New Ford Choice
Ford offers not only one, but two sizes of cars . . . each on its own extended wheelbase . . . each with its own body shell . . . each with its own styling.
First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.
Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious interiors and elaborate trim. The Custom Series also includes a Business Sedan.
Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!
The New Ford Look
That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!
The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.
The New Ford Performance
You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.
For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!
Here is where your own tomorrow starts
It starts at your Ford Dealer's showroom!
The cars will be there on Wednesday, October 3.
These are the best Fords of our lives.
They are the first symbols out of Detroit of the new automotive age that is beginning for you.
This is where tomorrow starts—at your Ford Dealer's.
This is when your tomorrow starts—October 3rd.
Come in and see us for the Big New Kind of Ford!

Dr. Taylor Loses State Golf Title

Dr. Frank Taylor Jr., who has brought additional rame to Cucamonga, was defeated for the California Amateur Golf championship at Pebble Beach, Sunday.

Having won the title in the last two successive years, Dr. Taylor was in the finals for the sixth year. With his family, he resides at 7647 Alta Cuesta, Red Hill, in Cucamonga. He is a dentist in Pomona.

Many Attend Vernon Rites

Many persons joined on Friday to honor the memory of T. Kirk Vernon, pioneer Uplander, who had given much of his life for the benefit of the community. Services were held in the Upland Presbyterian church with the Rev. Trusten A. Hart, minister, in charge.

Mr. Vernon, who was Upland's first mayor and was instrumental in the city's incorporation, died during his sleep Tuesday night at the family home, 621 W. 16th St.

Active pallbearers were John Andreas, E. C. Rosenberger, Donovan E. Palmer, Nelson Gray, Gilbert Krebill and Arthur Pehl. Honorary pallbearers were Eugene G. Nisbet, Frank C. Buffington, L. R. Bradley, Chas. Dinger, Harlow S. Wilson, Allan S. Barr, Wm. Spring, Tom C. Redmond, Harry Harlow, Henry Klusman, E. C. Mehl, Frank Bland, Ralph Swing, Harold Stewart, Chas. Kennedy, Dr. E. Son, James Guthrie and Harry Allison.

20-30 FOUR CITY

Upland 20-30 club will participate in the Four City Meet sponsored by the Pomona club in Harold's club, Fontana, for a steak dinner, Tuesday, 7:30 p.m. Fontana and Ontario clubs will also attend.

Methodists To Conduct Two Church Services

A policy of duplicate chruch services will be started in the Upland Methodist church Sunday at 9:30 and 11 a.m.

Dr. Ralph W. Lee, minister, will use as his theme, "The Sound of the Trumpet".

Two Sunday school sessions will also be held in all children's division classes, according to Clifton Murphy, superintendent. Rally day will be observed in the Sunday school.

The Cathedral quartet will sing at the 9:30 o'clock church service and the Cathedral choir will sing at the 11 a.m. service.

Methodist youth groups will meet at 7 p.m.

Mrs. Robt. Wisley Entertains G-T Club Members

Mrs. Robert Wisely, 995 Washington Blvd., entertained the G-T club in her home last week.

A potluck supper was held in her patio and the evening was enjoyed by Mrs. Robert Van Ness, Mrs. Wilford Carver, Mrs. Nelson Hamer and Mrs. Chas. Allen.

Mr. and Mr. J. B. Scoby, 263 N. Sixth Ave., have returned from a month' vacation in Kansas and Colorado, here they visited friends and family members. They were in St. Francis where they lived 50 years before coming to Upland. They traveled east by train to Denver and after stopping there went on by bus. On their return they were met in Pomona, by their daughter, Mrs. Guy Briney, with whom they stayed overnight before returning to Upland, Thursday.

Longer - - Lower - - Bigger

This brilliant new automotive package is bigger, easier to enter, roomier than ever. Yet it's lower . . . so low that a man of average height can rest his elbows comfortable on its top! And longer . . you've never seen such a long car in Ford's field. And sweeter . . . every graceful contour of its sculptured-in-steel body says, "Let's go!"

Ford engineers reinvented the automobile. They developed a revolutionary contoured frame . . . a built-for-keeps body . . . a new type of low-slung drive . . . a new level-ride suspension . . . a new higher compression engine. These are but a few of the things in this new kind of Ford that let you ride silent, solid and secure.

And Ford's the only low-priced car to bring you a choice of two new, bigger car sizes . . . plus an all-new longer, lower line of station wagons.

A complete new kind of Ford for '57 . . . a heavier, road-hugging addition to the Ford line . . . the Fairlane 500 series! Every one of these cars is so big, so new, so different, you'll hardly believe your eyes. It's the luxury-car in the low-priced field. It brings you more room than ever before . . . nearly 17½ feet long, yet only a scant 4⅔ feet high! Lowness is only one appearance point that makes the Fairlane 500's look much higher-priced than they are. A durable super enamel is used so that a '57 Ford will stay beautiful longer.

City Council Actions Are Summarized

City Insists On Depressed Freeway Route

Upland city councilmen are on record today insisting that only a depressed route be followed by the state highway commission in placing the "upper freeway" across Euclid Ave. and through the city's citrus district.

Reaffirmation of the decision on the depressed route came at the city council meeting Thursday night. Clyde V. Kane, district engineer, in a letter to the councilmen, pointed out the proposed route cannot be established on a condition that it be depressed. He, therefore, asked that the city accept a route without that previously expressed provision.

The councilmen, however, indicated their willingness to discuss the problem with Mr. Kane but emphasized their decision on permitting only a depressed route.

The "upper freeway" is proposed to be located midway between 19th and 20th Sts. from the Cucamonga wash west to Mountain Ave. The route west of Mountain will be determined on the basis of where the proposed route will enter from Los Angeles county.

Annexation Of College Hts. Plan Ends

Officially ended, at least for the present, is the movement of certain College Heights residents to get their area annexed to the city of Upland.

Owners of more than 50 per cent of the land had filed official protests against annexation, according to the report filed with the Upland city councilmen Thursday by City Clerk Hazel Cassell.

Following this report, the councilmen closed the chapter in annexing the area to the city.

Troop 8 Scouts On Long Beach Trip

Members of troop No. 8, Upland Boy Scouts were at the Long Beach harbor for an outing Saturday, the group going aboard watched loading of a transport.

Later the boys and their Scoutmaster Franklin Stanson were guests of Mr. and Mrs. Nelson Gray at their Morrow Bay trailer. Kenneth Erick and Grant Elliott, senior patrol leaders, also accompanied the group.

Sign To Be Placed For Midget Racers

A sign will be placed at San Bernardino Rd. at the southwest entrance to the Memorial park telling the public when the Quarter Racing Assn., will have races. The sign will be 30 inches by 42 inches. It was shown at the Upland city council meeting Thursday night by Andrew List, association president. After a lengthy discussion about this sign and possible location of other signs informing the public about the city park, the councilmen approved placing the racing sign.

Councilman John Nicholson expressed the belief signs should be placed at strategic locations telling the public about the city park and other municipal attractions.

Euclid Traffic Speed Reduction Aim Of Council

Traffic moves very fast on Euclid Ave.

That is the opinion of many local residents and the Upland city councilmen today are on record asking the state division of highways to conduct a survey looking to a reduction in the speed limit from 13th to 17th Sts.

Since Euclid is part of the state highway system, state authorities determine the speed limit.

Sewer Bond Sale Plans Are Made

By Nov. 15, steps will be taken by the city to sell the $800,000 sewer bonds voted by Uplanders in April, according to action taken at the meeting of the Upland city council Thursday night.

City Attorney Henry M. Busch recommended that the mechanics of the sale of the bonds be set for beginning procedures not later than Nov. 15. Proceeds from the bond sale will be used by the city to finance installation of sewer facilities in accordance with a recently adopted master plan.

Decision has not been reached whether to use concrete or clay pipes for the outfall line. Ontario officials favor clay pipes and the Upland council has asked that when bids are called for the jointly-owned line that alternate bids be received. Concrete pipe is reported to be less expensive but opinion is divided among authorities as to which is best in the long range use.

Dealing with other construction matters in the city, approval was given for an installation of a combined alleystorm drain on the east side of Memorial park adjacent to the county-owned storm drain.

Further improvement of the area immediately north of the San Bernardino freeway near 11th Ave. was discussed. Dean M. McCann, attorney for the property owners, discussed with the councilmen street improvements.

Donald Carr, who is mayor in the absence of E. Tweed Stone from the city, presided at the meeting with many routine and special actions being handled by the councilmen.

City's Expansion Plans Talked

Preliminary steps in the development of a master plan for the expansion of Upland municipal facilities will be taken during next month by Upland city councilmen.

Oct. 16 is the date of a meeting with Riverside city officials here at which Upland officials will learn how Riverside accomplished its goal.

Expansion of Upland's park program, an enlarged city-owned water system, increased library facilities, more space for municipal offices and expanded facilities for maintenance of the city's motor equipment are some of the problems to face the councilmen in planning for the future.

Following the Oct. 16 meeting, it is likely, local committees will be named to study various phases of he expansion and to help develop plans to realize the expansion.

Two Capture Many Prizes

Mrs. Aleda Spies, 924 N. Palm Ave., Ontario and Mrs. Nellie G. Engle, 656 E. Ninth St., have won enviable achievements in the women's exhibits at the Los Angeles County fair, Pomona.

Mrs. Spies captured eight awards out of 12 entries and Mrs. Engle has six awards out of 10 entries to her credit.

Mrs. Spies won six firsts for fig pickles, grape butter, guava jelly, Boston brown bread; two seconds for fig jam and grape juice and one third for fruit salad.

Mrs. Engle's more diversified wins were one first, fig jam; two seconds, pears and apricots, one third concord grape butter; first for a hand painted china cup and saucer and second for a hand painted tray.

Selfishness is at the bottom of most human conflicts; you cannot reform your neighbors but you can work on yourself.

Upland High School P-TA. In First Meeting

Bond Sum Total To Be Talked; All Invited

In its first meeting of the school year, the Upland High school Parent-Teacher Assn. will meet at 7:30 p.m. Monday in the gymnasium on the campus.

"By the way," emphasized John Nicholson, president, "the meeting will be started promptly."

First on the agenda will be a brief outline of facts from the recent UCLA Survey of Chaffey Schools, presented by Allan G. Smith, assistant superintendent of Chaffey. A short question and answer period on this subject will follow Mr. Smith' presentation. Then a group decision may be sought regarding the feelings of the group on the number of years of development which should be covered in one bond election.

Another highlight of the evening will be the welcoming of new teachers, who have joined the high school staff.

All parents of high school students, from all parts of the district are invited to participate. This invitation includes students, fathers and others. Memberships to the Highlanders' P-T A will be available to all who wish to join at 50 cents.

Attention is also called to "Back to School Night", Nov. 7, when all classrooms and school facilities will be open for the inspection of the public, according to Mrs. A. B. Moseley, publicity chairman.

P-TA. Presents School Heads

Introduction of Harold W. Cook, Superintendent, of Upland elementary schools, Mrs. Frances Mitchell, principal and Baldy View teachers will follow the short business meeting of Baldy View P-TA, Tuesday 7:30 PM., in the kindergarten room of the school.

Parents will then adjourn with their child's teacher to preview class programs for the coming year.

Refreshments will be served by the sixth grade room mothers and child care will be provided.

Students Of Piano In Recital

Mrs. C. S. Stowell, 324 Greentree Rd., presented the following group of students in a piano recital at her home, Sunday afternoon:

Nancy Burns, Paula Clark, Janet Strickland, Jeanie Guerra, Jerry Guerra, Jody Armstrong, Lila Rae Anderson and Patty Wise.

Mrs. J. B. Swingle, 327 S. Euclid Ave., presented two of her violin students as guests. They were Natalie Klementz and Jeanie Guerra, who played solos and duets.

Parents and friends attended and refreshments were served.

Upland Scouts Busy At Fair

Boy Scouts of this area have been active at the Los Angeles County Fair as messengers, as in displays of Scouting.
competitors in the Camporal, and

Boy Scouts of Alta Loma Troop 1 were on duty as messengers. Antonio Rodgriquez is the leader.

Troop 4 American Legion, Forrest Howell, leader put on a demonstration in the Junior fair building. Upland Pack 10, Baldy View, R. N. Brown, leader, turned out with dens and den mothers to stage a handicraft display.

Two troops participated in the Fair camporal. There were two patrols from Troop 1 Mt. Baldy, Stewart Poling, leader and one troop from Troop 8, Franklin S. Stanson, leader.

Council P-TA Has Breakfast

Ontario Council PT A entered with a getacquainted breakfast recently when guests included school principals and P-T A presidents of the council area. Purpose was to acquaint guests with the aims and activities of the association.

Guests from this area included Mmes. G. R. Lewis, Wm. Fitzsimmons, E. E. Hanzlick, Max Voucher, Mr. and Mrs. Vaughn Dunlap, Ed Dean, Alexander Mc Leish and Marion R. Adkison.

Legion Addition Bids To Be Ready Tuesday

Bids will be opened Tuesday from contractors for the construction of an addition to the Upland American Legion Clubhouse.

The 40 foot and 80 foot addition will be placed on the front of the post's present headquarters on the north side of E. Arrow Hwy. near Grove Ave. Stanley Travers, commander, members of the executive committee and members of the corporate board, are handling the building details.

Construction is scheduled to be started soon with completion planned by the end of this year, Mr. Travers said.

"The new addition will provide the community with a large recreation hall", the commander said. "We hope to make the building available for groups interested in a meeting place and wanting to hold dances and other recreational programs".

Mr. Travers said he hoped the Legion might head up a supplemental recreational program for youths in the community.

"At least, our new, enlarged building will be available for such projects — and we hope the new addition can be widely used", he said.

Riders Win First Place

Mr. and Mrs. George Graham, 2423 Euclid Crescent W., spent a pleasant weekend in Barstow where Mr. Graham and several other members of the Sheriff's Rangers rode in Barstow's Rodeo Days parade. Led by Sheriff Frank Bland the riders placed first in the mounted group.

Other riders were Chas. Eppler, Col. H. J. Caldwell, O. N. Holliday, Lester Schultz, Theo. Davis and Walter Hadden. Accompanying the party were Mmes. Eppler, Caldwell, Holliday, Davis and Hadden, as well as Mrs. Graham.

Personnel Board To Select Two

Selection of a juvenile officer and a police department sergeant is scheduled soon following the personnel board's examination of applicants last night.

Due to illness and previous arrangements, the personnel board did not meet last week. Changes in the board for last night's meeting was made to include Francis Shaw, Thomas Glasheen, Police Chief Ralph H. Palmer and City Manager Elwin Alder of Upland and Kenneth Bromage, the county juvenile officer and Komer Dyal of the sheriff's dpartment.

Candidates for two positions are Joseph Blouin, Vern Colvin, Tom Davis, Richard Carr, Bill Smith and Felix Quesada. One of the six will be chosen juvenile onficer and one will be named police department sergeant. All of the candidates are now members of the department.

The men selected will be given special training for their new positions.

This is a good time to drive carefully, avoid risks and save lives on the highways.

Girl Scout Council Hears Reports, Plans Courses

Mrs. Anthony Keyes, treasurer, gave an extensive financial report at a recent meeting of the executive board of the Chaffey Girls Scout council, in Scout House, N. Third Ave., when Mrs. George Drpaer, council president, presided.

Mrs. Clarence Dowding, training committee chairman, announced all leader training courses with a neighborhood chairmen training course scheduled for Oct. 2, 3 and 5.

Mrs. Walter Stewart, public relations committee chairman and Mrs. James Mertz, membership nominating committee chairman, also submitted reports.

Following the business session, Mrs. Betty Jackon, regional committee representative of the National Girl Scout Assn. was introduced. She serves as a liason officer between the national group and the local councils in San Bernardino and parts of Los Angeles counties. Telling of the area study now being conducted throughout the U.S. she showed a film, "Under the Green Umbrella."

Board members present, not previously mentioned were Mmes. John Sibley, Roy Outcen, R. G. Sutherland, G. R. Lewis. and Miss Isabel McCullough, executive secretary.

Little League Meeting Called

Upland Little League officials, coaches, managers and parents are urged to attend a meeting in the office of G. B. Warders, 126 N. Second Ave. Wednesday, 7:30 p.m.

"We had a fine year," Commissioner Warders said. "We are anxious to get all interested to attend the meeting because many do not understand how much is involved. There will be a financial report and we will discuss plans and the need for expanding next year."

Mr. Warders said that if possible an election will be set or a date set for the election.

Demos Plan Open House

Miss Clara Lou Nisbet, Mmes. Marion Camp, Rilla Roberds and Mae Stover will act as hostesses, for the open house, marking National Democratic Women's Day in the West End Democratic clubhouse, 208 W. Holt Blvd., Ontario, Friday, between 1 and 5 p.m.

All Democratic women are urged to attend and bring their friends. Refreshments will be served.

Put Your Dreams In Layaway!

A First National Bank of Upland savings account is simply a "lay-away" plan with a different name: each dollar you save is a deposit on that longed-for trip . . . or a payment on a higher education for the children . . . or a big, major purchase of some kind.

A First National Bank of Upland savings account has the added advantage of protection against emergencies during the "lay-away" period, in addition to changing dreams to realities.

That protection and the peace of mind it brings, is a priceless "extra" — yet it costs you nothing. And a savings account establishes a valuable banking connection, builds your standing in the community.

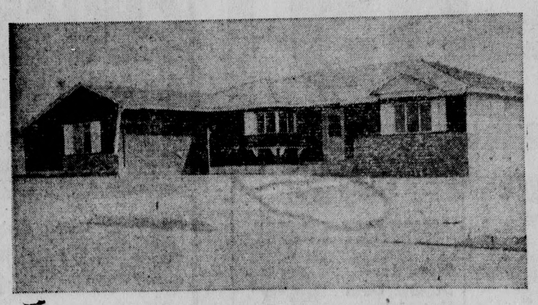

A First National Bank of Upland savings acis the best "lay-away" plan yet devised.
